Hi Melissa,

Attached is a list of all the chlorophacinone and diphacinone incidents we have received since October 1, 2012.

Actually, never mind. I got into EIS and I found the incidents. Is there anything that's not in EIS that I need to check?

Thanks,  
Melissa

Bob,

Do we have any incident data for Rozol (chlorophacinone) since April 2012 or any incident data for Kaput-D (diphacinone) since October 2012? If so, can you please send it to me?

Thanks,  
Melissa
